FEAS can do so much more than Promotion & Tenure!

Annual Evaluations

- Many departments are using the **Summary of Accomplishments Report** for annual faculty evaluations. This report displays 1, 2, or 3 years of teaching, research, and service for each faculty member.
- A 1-year or 2-year **Short CV** is available with 2 clicks. There is no need to create a new Word document from scratch!
- Other helpful evaluation reports include the **SPCI Summary Report**, the **Research Summary Report**, and the **Teaching Summary Report**.

Reporting

- A **Department/College Summary Report** is available, which quantifies faculty teaching, research, and service. This report may be customized in a variety of ways. Visit https://feas.fsu.edu/Report_DeptSummary_Menu.aspx.
- **CV Item Reporting** produces either a spreadsheet or list of citations for any category within FEAS. Want to list all the articles published by your faculty in 2016 with only 4 clicks? Visit https://feas.fsu.edu/Report_RecordSelect.aspx.
- **Grade Distributions** are available under the Teaching Award Course Cover Sheet. Visit <https://feas.fsu.edu/TeachingAwardReportMenu.aspx>.

Websites

- **General CVs** are available at <http://www.fsu.edu/cvdb> or through a Google search.
- A **permanent URL** of each faculty member is available in the form of [http://www.fsu.edu/cvdb/\[FSUID in all caps\].rtf](http://www.fsu.edu/cvdb/[FSUID in all caps].rtf)

* Note: Each faculty member must finalize their CV before this URL will be activated
