FDA and OVPR Faculty Fellows

- Pilot program created as a pipeline for emerging leaders and to assist with projects
 - ✓ Year two applications are due April 1
 - ✓ Fellows receive one course buyout (paid to unit) and summer salary
 - ✓ Fellows work on one project of their choice and assist the two offices with other projects

Research Subcommittee Mission Statement

The Research Subcommittee, serving at the pleasure of the Chair of FSU's Board of Trustees, supports the Office of the Vice President for Research in **CREATING** and **DISSEMINATING** a **STRATEGIC VISION** for research, innovation, and creative activities across the university. We offer guidance and advice pertaining to FSU's initiatives for advancing basic, applied, and clinical research, and technology transfer. We serve as proud and effective ambassadors for the wide range of research occurring on all campuses.

Collaborative Collision

A Retrospective

**big
bets** | Big Bets
Big Breakthroughs

BOT Research subcommittee

Questions

- How will faculty be incentivized to bring in multiple large grants given the current AOR system?

Questions

- Do you know how much we appreciate you stepping up to be Interim VPR and doing such a great job?

Questions and Comments?

“RESEARCH IS FORMALIZED CURIOSITY. IT IS POKING AND PRYING WITH A PURPOSE”
- Z.N. HURSTON
